

Language Learning through the Eye and Ear

Supporting References for Webcast

This list of references has been organized thematically around specific talking points made by the presenters in the webcast. Each talking point can be accessed by clicking on the appropriate link in the Table of Contents below.

Table of Contents

| | |
|--|---|
| First language (L1) sign language acquisition | 2 |
| Critical period effects for deaf children | 3 |
| Bimodal bilingualism and cochlear implants..... | 4 |
| Bimodal bilingualism for children who are deaf or hard of hearing..... | 4 |
| Joint attention, Theory of Mind, and parental signing..... | 7 |

First language (L1) sign language acquisition
